TRAVEL SAFE

While the world has changed, your health and safety remain our biggest priority. A worry-free experience for our guests is very important to us, and with a few changes and new protocols, you can continue to enjoy peace-of-mind while traveling. The following pillars address our guidelines to provide a safe and clean environment for you and our team.

MANDATORY VACCINATIONS AGAINST COVID-19

All guests, including minors, must be up to date on their COVID vaccines prior to departure, to participate. Guest vaccination requirements are currently for all departures until further notice.

WE'RE IN THIS TOGETHER

Along with introducing enhanced protocols to keep everyone safe, we ask that you take personal responsibility for your health. This begins with packing any personal protective equipment and hygiene supplies you may need. Please follow physical distancing and hygiene guidelines before departure, and follow all health instructions including local signage and requests from your Tour Director while on tour. Based on CDC guidelines, YMT Vacations is currently requiring masks to be worn while on the coach and where required by local regulations. You can observe suggested safety precautions by following CDC guidelines:

- **Wash your hands often**
- **Avoid close contact**
- **Cover your mouth and nose with a cloth face cover when around others**
- **Cover coughs and sneezes**
- **Clean and disinfect**
- **Monitor your health**

GUEST AND TEAM MEMBER HEALTH

We ask that you follow CDC guidelines prior to your trip, including staying home if you feel ill. Please monitor your health throughout your tour, and notify your Tour Director immediately if you feel unwell.

We are currently requiring guests to be up to date with their COVID-19 vaccines, including booster shots, prior to joining a tour. If this is not possible, please call us to discuss your options. This policy may change based on guidance from health organizations and government agencies.

We will provide you with more details prior to departure. Additionally, we will keep you up to date with any additional pre-departure partner requirements and have provided links to partner websites so you can monitor the latest updates.

RESPONSIBLE SOCIAL DISTANCING

YMT Vacations will be requiring the use of masks where it is mandated by federal, state and local guidelines, including on coaches and indoor and outdoor activities. Your Tour Director will provide the current requirements for your destination.

INCREASED CLEANLINESS & SANITATION

Our third-party suppliers including airlines, hotels, motor coaches, and cruise lines have stated that they are implementing enhanced cleaning procedures. Additionally, your Tour Director will have an emergency supply of face masks, hand sanitizer and cleaning supplies to supplement should the need arise.

ENHANCED TOUR DIRECTOR TRAINING

We have increased our levels of training for Tour Directors. They will be thoroughly trained on all our new health and safety policies. Tour Directors will monitor the hygiene practices of our guests, reacting and advising as needed for the continued safety of everyone.

**Travel Safe guidelines as of 3/31/22 . Please visit website for most current policy.*

WHAT OUR GUESTS ARE SAYING

HERE AT YMT, WE'RE A FAMILY. One of the best parts of your YMT vacation is making connections. You'll connect with your fellow travelers, and share once-in-a-lifetime experiences as you discover the world together. And you'll connect with the special places and people you see in your destinations—from the guides who conduct your tours to the sights, scenes, and sounds of the places you'll visit. YMT vacations are truly exceptional and go beyond pretty pictures; they're magical

moments and amazing experiences that you'll cherish forever. But don't just take our word for it. Here are just a few of the many wonderful things our guests have shared with us about their YMT vacations. So come along. You're going to love it!

YMT Guests on the Mackinac Island & Grand Hotel Tour

“ **Had a wonderful time with YMT in California at the Rose Parade. Had great seats. They took us on Sightseeing of Los Angeles.** ”
~ Richard C.

“ The trip from Chicago to Mackinac Island, then to Detroit was outstanding. The places that we saw were unusual, the food was delicious and plentiful, the company was convivial, and the accommodations were very good to great! I have traveled with YMT five times and have been pleased each time. I have one more trip booked for 2022 and plan on making more plans soon. I have learned new things that are exciting, beautiful, and inspiring for my self development and for my appreciation of others and their creativity. ”
~ Rosemary W.

“ **Route 66 Tour was fantastic.** The bus was always clean and everyone wore masks properly to protect each other. The tour Guide Daniel H. was the best. He knew so much about the tour and each location we visited and those of interest we passed on the way. Giving name origins of locations in either indigenous or Hispanic names was one example of the kinds of information he shared. Traveling through 9 states on and off Route 66 was a joyful 14 days. ”
~ Judy G..

YMT Guests on the Historic Route 66 Tour

“ The Rocky Mountain Tour was amazing. The tour guide was very knowledgeable, personable, funny. He was a walking encyclopedia of knowledge. The best part, was he really liked all the areas, you could tell how he talked about them. Our driver was awesome, he was an amazing driver when we hit ice and snow in the mountains. The tour was perfect, I couldn't ask for anything different. The bus was clean, the hotels were great, even the mountain rustic hotels were great. I seen more than I had expected. I had a blast, everyone on the bus was fun. ”
~ Debbie R.

YMT Guests during
Coastal Maine & Acadia Tour

THE HIGHEST COMPLIMENT

Most of our travelers are either repeat guests looking for another vacation adventure, or first-time YMT travelers referred by a satisfied YMT guest. Many guests report that their YMT tours have been the best of their life thanks to our experienced Tour Directors, well-planned itineraries, and of course, the friendships they made along the way. We're proud of all of the great reviews many of our happy guests have written, and we'll do our very best to give you an equally wonderful experience, ensuring that your first YMT trip will be one of many!

A TRADITION OF HOSPITALITY

YMT Vacations started out as Your Man Tours in 1967 with the goal of making travel to Hawaii affordable to all. Dedicated to personal attention and excellent service, we were "your man" on the islands. And today, our popular Hawaii tours are escorted throughout by our friendly local guides who will give you an insider's tour of the islands and show you what the warm Aloha spirit is truly all about!

YMT Guests at the New Orleans School of Cooking Optional during New Orleans & Western Caribbean Cruise

In the more than 50 years since our beginning, we've grown into more than just Hawaii's friendliest diplomats—YMT Vacations has taken our aloha spirit across the globe. Our team of Tour Directors has decades of experience leading mature travelers on dream vacations to Alaska, Europe, the continental United States and beyond, and we are proud to build on the wonderful tradition of hospitality started in Hawaii so many decades ago.

YMT Guests on Mt. Alyeska during the Alaska Northern Lights Tour

WE'RE PROUD THAT OUR VACATIONS ARE THE EASIEST, most engaging, affordable, social, and fun way for mature travelers to see the world. We've designed guided land and cruise tour packages that give guests more of what they want.

WE'LL HANDLE THE DETAILS

Wherever your vacation dreams take you, all your arrangements on our vacations—accommodations, transportation on tour via modern motor coach, baggage handling at hotels, sightseeing and attraction entrance fees, professional Tour Directors, select meals, even independent air travel with transfers to and from your hotel at no extra cost—will be taken care of with one simple phone call.

YOU CAN DO AS MUCH OR AS LITTLE AS YOU LIKE.

We arrange our group tours with a great variety of optional activities you might enjoy. Perhaps even more importantly, we've built in plenty of free time you can use any way you like. Our tours also offer you the freedom to choose what and when you'd like to eat, instead of charging you up front for food you may not even want. After all, it is your vacation, where the hardest thing you have to do is choose where to go!

THOUGHTFULLY CURATED ITINERARIES

You won't find a more flexible, easy-going vacation than a YMT guided land tour or cruise tour. Our trips are designed with you in mind. The destination, stops, pacing, accommodations, and optional tours are all planned to enable mature travelers to get the most out of their time away.

EXPERT TOUR DIRECTORS & DRIVER GUIDES

We're proud to have some of the most experienced, dedicated Tour Directors and driver guides in the industry. The men and women that lead YMT's tours are true experts, with passion and experience leading mature travelers all over the world. Several of our tours are handled exclusively by local Tour Directors and driver guides, whose pride and enthusiasm for their home is infectious. These leaders will show you what makes the area you're visiting special to the people who live there.

TOUR ACTIVITY LEVELS

HERE ARE OUR ACTIVITY LEVELS EXPLAINED We want to help make choosing your perfect vacation as easy as possible. On the individual tour pages, you'll find a designated activity level as well as detailed itineraries. Read the descriptions below to learn more about the activity levels and understand which tours are right for you.

RELAXED

Traveling at a leisurely pace, this itinerary requires a small amount of physical activity. Depending on the itinerary details, guests will need to be prepared to board a plane, bus, boat, ferry, or ship. There will be some walking to rooms, cabins, or restaurants, and general points of interest. This may also include an occasional flight of stairs or some steps during transfers and stops.

EASY GOING

This tour requires light physical activity combined with shorter travel days. Activities may include an occasional city or nature walking tour with stops along the way. Guests should be able to climb a set of stairs, walk up or down slight slopes, and navigate some uneven terrain or cobblestone.

MODERATE

To enjoy this tour, guests should be prepared to walk slightly longer distances, climb stairs, and tolerate periods of standing. The daily pace and timing can fluctuate significantly between longer and shorter travel days, with additional activities possibly occurring in the early morning or evening. There may be some changes in altitude or temperatures.

ACTIVE

To fully take advantage of all this tour has to offer, guests need to be able to walk longer distances, climb several flights of stairs, and navigate steps and uneven terrain. Your itinerary can include significant changes in temperature and altitude and may require a higher number of longer travel days with morning and/or evening activities.

VERY ACTIVE

Likely to feature many attributes of our active level, this is very much an on-the-go tour with a complete itinerary involving a full, normally daily program of travel, sightseeing, or events. We would consider this our fastest tour pace and free time at leisure will be more limited, in some cases just to evenings.

Relaxation is the name of the game at Harvest Caye, a 75-acre private island open exclusively to guests of Norwegian Cruise Lines. Designed to showcase the Caribbean's stunning natural beauty, unique wildlife, and dynamic culture, your time on Harvest Caye is a vacation within a vacation.

The Nature Center is a one of Harvest Caye's most unique features. It's free to visit, and is a great place to see massive boa constrictors and colorful toucans and scarlet macaws. The enclosed Blue Morpho Butterfly Sanctuary is nothing short of marvelous—you'll be surrounded by countless native butterfly species and more than a few intrepid iguanas whose disinterest in humans is truly a sight to behold.

Day 7 • Roatán, Bay Islands, Honduras

(8:00 AM - 5:00 PM)

Welcome to Roatán, the jewel of the Bay Islands, located just off the north coast of Honduras. The beaches here are second to none, and the warm water is teeming with exotic fish, coral, and gentle sea turtles who thrive here in the world's second largest barrier reef. Come hungry, because Roatán is famous for offering a wide variety of world-class cuisine. Fresh fish and lobster are always a tasty choice, but if you want to eat like a true local, you have to give a freshly fried conch fritter a taste.

Day 8 • Cozumel, Mexico

(9:00 AM - 6:00 PM)

The island of Cozumel off the tip of the Yucatan Peninsula has done a fine job of retaining its cultural character over the years despite an explosion of popularity in its tourism sector. It has everything that visitors want—gorgeous beaches, warm waters, incredible reefs, friendly locals, and perfectly spicy cuisine—but has also managed to keep much of its authentically vibrant Mexican-Caribbean personality intact. There is nothing so perfectly refreshing as a bowl of fresh fruit paired with an ocean view, so we strongly encourage guests to stop at a fresh fruit stand whenever they get thirsty. Ask “¿Qué nos recomienda?” or “What do you suggest?” to guarantee the best variety of the tastiest fruit.

Day 9 • At Sea

During the day catch up on some reading, or just enjoy the warm winter Caribbean weather from the sun deck. After dinner try your luck at the casino, or catch a stage show which are designed to dazzle and dazzle; this final night is yours to enjoy!

than a mile high, thousands of breathtakingly beautiful waterfalls and pools, 120 miles of shoreline, and more than 80 golden beaches. Don't miss the Iao Valley, Haleakala Crater, and Lahaina. This traditional old whaling town has numerous historical landmarks and excellent restaurants.

After your overnight stay in Maui, you can join us for an optional tour on the Road to Hana Highway, one of the prettiest drives in the world. Each turn of the windy road offers a new breathtaking view of lush rain forests, waterfalls, and the sea. Maui is a golfer's paradise, with numerous championship courses that host major events including the PGA Tour. Animal lovers should look to the sea, particularly during the winter months when Humpback whales frequent the warm, shallow waters just off the coast.

Day 7 • Hilo, Hawaii (7:00 AM - 5:30 PM)

Brimming with Hawaiian tradition, Hilo takes you back to an earlier island culture. The town will charm you with its quaint buildings and unique shopping. Hilo is the flower capital of Hawaii, and gardens and blossoms are everywhere. Perhaps spend your leisure day here visiting Liliuokalani Gardens, King Kamehameha I Statue, Rainbow Falls, Akaka Falls, or Hawaii Tropical Botanical Garden!

Day 8 • Kona, Hawaii (7:00 AM - 5:30 PM)

Welcome to Kona! Spend your day exploring the "Gold Coast" in a wide variety of ways—skimming the seas in a glass bottom boat, or snorkeling below the waves. If you prefer to keep your feet on dry land, you can take a leisurely walking tour through historic Kailua Town or visit one of the island's many coffee plantations.

Days 9 & 10 • Nawiliwili, Kauai

(8:00 AM - 2:00 PM Next Day)

This verdant little isle exudes peace and tranquility. Nature has been good to Kauai, creating craters, mountains, rivers, canyons, and glorious stretches of palm-fringed beaches. Nicknamed the "Garden Island," Kauai is the least populated and developed of the four main islands. The spectacular scenery makes it the perfect island to splurge on a helicopter flight-seeing tour!!

It's no wonder that an impressive list of Hollywood productions have used this emerald island as a setting. The Napali Coast, featured in the film Jurassic Park and many others, is one of the most distinctive geological features of Kauai. Kauai is also famous for Waimea Canyon, known as the Grand Canyon of the Pacific.

aboard Holland America Line’s ms *Noordam*

On this spectacular itinerary, you can visit Denali National Park and Glacier Bay National Park on the same trip! Cruise both the Gulf of Alaska and the Inside Passage and discover the best of the Last Frontier by land and by sea—we know it like it's our home.

✈ Day 1 • Arrive in Seattle

Today your guided Alaskan cruise tour begins in Seattle. If you booked your flight with YMT, a representative will greet you at the airport and transfer you to your hotel.

◆ *Crowne Plaza Seattle Airport or similar*

🚗 🚢 Day 2 • Vancouver & Embarkation (Departs at 4:30 PM)

Head north across the Canadian border to Vancouver, Canada’s third largest city. After a brief guided city tour and lunch on your own, you will board the ms *Noordam*, your floating hotel for the next week. Get settled into your comfortable stateroom before dinner.

🚢 Day 3 • Cruise Inside Passage

Cruise along Vancouver Island and Alaska’s spectacular Inside Passage. The Inside Passage is one of the most scenic sea lanes in the world. Look for marine animals while you pass turquoise glaciers, forests in a hundred shades of green, and delightful coastal villages.

🚢 Day 4 • Ketchikan (7:00 AM - 3:00 PM)

This distinctive frontier town is famous for its bawdy history and wooden boardwalk, which has remained perched on stilts above Ketchikan Creek for over a century. Take a leisurely stroll along Creek Street, the former “Red Light”

district that is now lined with colorful shops and family-friendly restaurants.

🚢 Day 5 • Juneau (10:00 AM - 10:00 PM)

Today’s port of call is Alaska’s state capital city, nicknamed “Little San Francisco” because of its narrow streets and multicolored houses that hug the hillside. Sitting at the foot of snowcapped Mt. Juneau and next to the massive Mendenhall Glacier and Juneau Icefields, this remote yet developed city offers a variety of activities.

🚢 Day 6 • Skagway (7:00 AM - 9:00 PM)

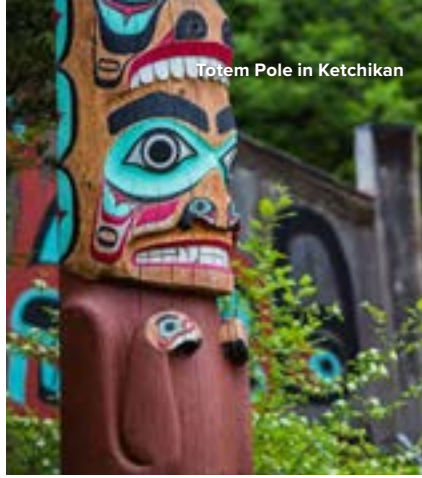

Where the Gold Rush began, Skagway was the turbulent staging point for prospectors hell-bent on getting to the Klondike gold fields. Even in modern day, Skagway’s well-preserved history and culture brings to life the 1898 Gold Rush atmosphere like no other Alaskan port of call.

🚢 Day 7 • Cruise Glacier Bay National Park

Covering 3.3 million rugged acres, Glacier Bay National Park is one of the most scenic sections of Alaska’s massive 25-million acre protected World Heritage Site. Spend the day cruising through a 60-mile passage rich with glaciers, exotic wildlife, and pristine nature. Your route is the frequent site of glacier calving, where great chunks of ice fall into the bay with a deafening crash. You’ll never forget the sight or sound!

The bridge was the last surviving crossing point over the Rhine, and a crucial Nazi line of defense in the last days of WWII. After it was captured on March 7, 1945, Nazi troops made several attempts to destroy the structure. Instead, Allied forces used it to transport countless troops and supplies across the river—speeding up the end of the war in the process. Spend the evening in Frankfurt. (B, D)

Day 9 • Frankfurt to Nuremberg

Much of Frankfurt was bombed during the war, and most of the city was rebuilt in a modern style, save for a few landmark historical buildings. Amongst the sights you'll see on today's panoramic tour are the reconstructed Gothic Frankfurt Cathedral and the Römer, a medieval building that served as Frankfurt's city hall for over 600 years.

Following free time and lunch on your own in Frankfurt's city center, continue to the historic village of Nuremberg. Take a city tour, where you will see the formidable Nuremberg castle, the 13th century St. Sebald Church, the elaborate 14th century Schöner Brunnen fountain, and WWII sites. (B)

Day 10 • Nuremberg to Munich via Dachau

Visit the crumbling Nazi Party Rally Grounds and Documentation Center, where Adolf Hitler ignited his followers with his famously bombastic speeches throughout the 1930s. The mass Nazi party rallies and parades that took place in this once mighty complex helped whip Germany into a fascist frenzy.

Next, you will see the human toll of Nazi policies and beliefs on a guided tour of the Dachau Concentration Camp Memorial Site, the first Nazi concentration camp. Over 12 years, 200,000 people from more than 30 countries were confined in Dachau. It was only the second concentration camp to be liberated, and its conditions shocked the world. (B)

Day 11 • Munich

As the birthplace and former headquarters of the Nazi Party, Munich played a key role in the rise and fall of the Third Reich. The city was destroyed in Allied bombings, but the people chose to reconstruct many of its historical buildings.

Tour the rebuilt city, where you will see beautiful Baroque Nymphenburg Palace, Marienplatz in the heart of Old Town, the lavishly animated Rathaus-Glockenspiel clock tower, the idyllic court garden of Hofgarten, the towering Gothic Frauenkirche church, and the Residenz, the largest palace in Munich. 🚗 🚢 Day 3 • Frankfurt City Tour, Strasbourg via Heidelberg, and Embarkation (6:00 PM)

Today begins with a guided tour of Frankfurt, a charming international city full of museums, shops, and restaurants that cater to English speakers. See Frankfurt Cathedral, a great example of Gothic Roman Catholic architecture; St. Paul's Church, where President Kennedy made a stirring speech in 1963; and the Römer, a medieval building that has served as Frankfurt's city hall for over 600 years.

Next, stop in enchanting Heidelberg for lunch on your own. Home to a beautiful baroque old town, Germany's oldest university, and the stunning Heidelberg Castle, it is one of Germany's most popular tourist destinations. We'll then continue to Strasbourg to embark the *ms Beethoven*. Settle in on the *Beethoven* and enjoy dinner onboard as you sail to Iffezheim. (B)

🚢 Day 4 • Rudesheim

The morning, cruise down the Rhine to Rudesheim and discover famous Roman-era vineyards and breathtaking views of the river. In Rudesheim, enjoy time on your own to explore the famous Drosselgasse, the central area of the city's lively Old Town. Be sure to look up at least once at the chiming bells that punctuate daily life in Rudesheim—the town has two massive carillon bells, found in the tower of the Rudesheimer Schloss restaurant and hotel, and in the windows of Siegfried's Mechanical Music Cabinet.

🚢 Day 5 • Cologne to Düsseldorf

Today we cruise to one of Germany's most important metropolitan regions, Cologne. We set out to discover the city before continuing to Düsseldorf, the City of Fashion. Look for the Rhine Tower—the world's largest digital clock—and the famous Königsallee.

🚢 Day 6 • Düsseldorf to Amsterdam

Today we continue from Düsseldorf to the magical city of Amsterdam. Discover the charm of the renowned Amsterdam canals, which provide an ideal vantage point to see the city's wonderful architecture. There are four large canals surrounding the center—the Prinsengracht, Keizersgracht, Herengracht, and Singel canals. The Singel river was transformed into a canal in the 14th century to become part of the city's defensive belt, while the other three were conceived at the beginning of the

Golden Age as a means to expand the city. The capital of the Netherlands, Amsterdam is widely considered to be one of Europe's most sophisticated cities.

Day 7 • Amsterdam

Amsterdam is one of the most extraordinary cities in the world thanks in large part to how it celebrates its past. For a perfect example, look no further than the De Gooyer Windmill, which at 87 feet is the tallest wooden mill in the Netherlands. It is the last of a large group of corn mills built between the 17th and the end of the 19th centuries on the bastions of the city walls.

In addition, Amsterdam has a bustling Diamond District, the famous Bloemenmarkt floating flower market, one of the most fragrant places in Amsterdam thanks to its thousands of blooms. Included in your tour is a visit to the 79-acre Keukenhof flower garden, where you will enjoy the sights and scents of tulips in bloom.

Amsterdam is also the ultimate destination for art lovers—during your free time here, perhaps visit some of the museums devoted to Vincent van Gogh, modern street art, and contemporary art. Be sure not to miss one of the finest museums in the world, the 200-year-old Rijksmuseum. It is overflowing with spectacular pieces, including works from Dutch masters like Rembrandt, Johannes Vermeer, and of course, van Gogh.

Day 8 • Disembarkation in Amsterdam and Brussels City Tour (9:00 AM)

Disembark in Amsterdam this morning and travel to Brussels for an included tour of its most famous landmarks. Explore highlights like the historic Grand Place, Manneken Pis, Atomium, and cultural institutions such as La Monnaie and the Royal Museums of Art and History. Boasting cafes, museums, flower markets, and historic

buildings, Brussels is a fantastic city to explore. Let your mind wander as you take in one of Europe's most welcoming capitals. (D)

◆ Bedford Hotel or similar

Day 9 • Cologne City Tour and Frankfurt

Today we discover Cologne on another guided tour, a former Roman province and influential medieval and Renaissance era trade base that was nearly wiped out during WWII. Virtually all of the city's buildings were built after the war, and the landscape is characterized by simple and modest post-war buildings, with just a few pre-war buildings that were either rebuilt or miraculously untouched during Allied air raids. Don't miss the spectacularly spired Cathedral Church of Saint Peter, a UNESCO World Heritage Site and Germany's most visited landmark. In addition, we recommend partaking in Kölsch, Cologne's official beer, served in a traditional 200ml glass, called a Stangen, while you're here. "Zum wohl!" means "to your health," and is a very common toast. We then continue to Frankfurt, where your evening ends with an included farewell dinner. (B, D)

food as precious gems. The city is particularly enjoyable for foodies thanks to the many tasty Belgian specialties on offer—including waffles, chocolates, and the legendarily tasty Belgian fries—be sure to try then with a wide variety of dipping sauces!

History buffs love Antwerp, as well. It is packed with innovative museums, including the Museum Plantin-Moretus, devoted to printing and the only museum in the world that is itself recognized as a UNESCO World Heritage Site. Visitors will also enjoy The Museum aan de Stroom, or MAS, a unique museum-gallery whose 10th floor observation deck offers the best views in the city. Antwerp's historic buildings include the Antwerp Zoo, which opened in 1843 and is one of the world's oldest zoos; Renaissance-style City Hall, which dates back to the 16th century; and most famously, the 14th century Cathedral of Our Lady.

 **Day 7 • Amsterdam, Netherlands**

Today we continue to the magical city of Amsterdam. Discover the charm of the renowned Amsterdam canals, which provide an ideal vantage point to see the city's wonderful architecture. The capital of the Netherlands, Amsterdam is widely considered to be one of Europe's most sophisticated cities.

Amsterdam is also the ultimate destination for art lovers—during your free time today, perhaps visit some of the museums devoted to Vincent van Gogh, modern street art, and contemporary art. It is overflowing with spectacular pieces, including works from Dutch masters like Rembrandt, Johannes Vermeer, and Vincent van Gogh.

 **Day 8 • Düsseldorf, Germany**

If you want to experience the German version of British teatime, take a seat in a café and enjoy a leisurely kaffee und kuchen, or coffee and cake. You can't go wrong with a big slice of streuselkuchen, or streusel cake, the most traditional option.

  **Day 9 • Disembark in Cologne**
(Disembarks at 6:00 AM)

After disembarking this morning, your day continues with an informative city tour of Cologne, one of Germany's most important metropolitan regions. Don't miss the spectacularly spired Cathedral Church of Saint Peter, which was rebuilt after the war and is now a UNESCO World Heritage Site and Germany's most visited landmark.

Continue to Düsseldorf for the night, and join your fellow travelers for a delicious included farewell dinner. (D)

despite their ability to pay. Sparked by the idea of modern tax deductible charity of its time, it was once a hospital, pharmacy, and almshouse at the same time. Throughout the years, it became a wealthy trust that, amongst other things, counts the most expensive vineyard in Burgundy among its assets. Then, on to Lyon where the A-ROSA *Stella* awaits you. Get settled in your cabin and explore the ship a bit before dinner, or perhaps take a stroll around Lyon for a glass of wine or coffee at a local bar. In the evening, the *Stella* will leave the port and take you on a panoramic cruise of Old Town Lyon. (B)

Day 6 • Viviers (1:00 PM - 7:00 PM)

After enjoying cruising on the river overnight and this morning, your first stop is picturesque Viviers. Located in the Rhône Ardeche region where the two rivers briefly merge, the beautiful walled city is home to a cathedral dating back to the 12th century, and an ancient bridge dating back to the 3rd century. The flat area is an ideal starting point for a guided bike tour that you can book onboard or an excursion to a nearby grotto and lavender farm.

Day 7 • Arles (3:30 AM - 2:00 PM) and Avignon (Arrives at 6:00 PM)

Wake up in Arles, the southernmost point of your cruise. Even if you have never been here before, you're sure to recognize pictures of it. Vincent van Gogh painted Arles in 187 of his works. Long before Van Gogh, the Romans had discovered Arles' beauty and built the impressive amphitheater, one of the main attractions today. In the afternoon, continue northbound. In the early evening, we will arrive in Avignon where

the brightly-lit monuments and the famed bridge will astound you. "On the bridge of Avignon, we all dance there," the words of a 15-century folk song pay tribute to the unbridled joie de vivre at the foot of the Palace of the Popes—a zest for life that is still very much alive today.

Day 8 • Avignon (Departs at 12:00 PM)

Ringed by incredibly preserved 800 year old stone ramparts, graceful Avignon's turn as the seat of papal power bestowed upon the city a treasury of magnificent art and architecture. The ramparts were erected to keep the plague and invaders out during the turbulent Middle Ages. Enjoy a leisure morning in town and marvel at its history before leaving at lunch time.

Day 9 • Vienne (9:00 AM - 9:30 AM) to Lyon (Arrives at 1:00 PM)

🚗 Day 4 • Sightseeing in Buenos Aires and Embark the Norwegian Star

(Departs at 6:45 PM)

Enjoy a sightseeing tour of Argentina's electric capital city. Drive along the 9 de Julio Avenue and pass by the Colon Theatre, one of the world's best-known opera houses. It is the cultural pride of the portenos, the people of Buenos Aires. See the historical San Telmo, the elegant Recoleta neighborhood, and more. Board the Norwegian *Star* this evening. (B)

🚗 Day 5 • At Sea

🚗 Day 6 • Puerto Madryn, Argentina

(8:00 AM - 5:00 PM)

Puerto Madryn is an amazing stop for animal lovers. Southern Right Whales are often visible from the beach. Guests can visit with wild penguins, or go diving with delightfully friendly sea lions. The Museo Provincial de Ciencias Naturales y Oceanográfico is a free natural history museum right in town. The museum's preserved giant squid is a must-see!

🚗 Day 7 • At Sea

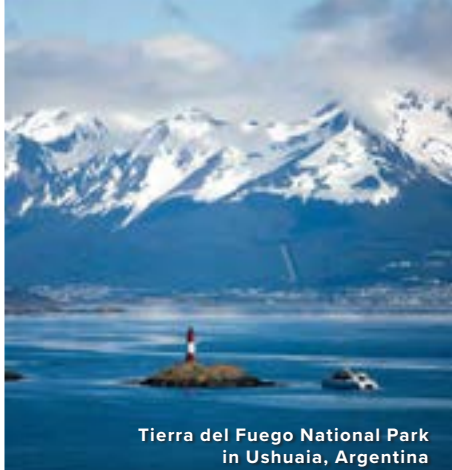

🚗 Day 8 • Punta Arenas, Chile

(8:00 AM - 4:00 PM)

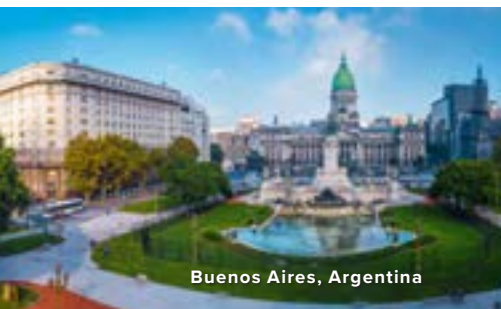

From the original name "Sandy Point," Punta Arenas had its humble beginnings as a sparse penal colony near the Straits of Magellan.

Punta del Este, Uruguay

Tierra del Fuego National Park in Ushuaia, Argentina

Buenos Aires, Argentina

Gentoo Penguins in Deception Island, Antarctica

Norwegian Cruise Line's Star

Today, this gateway into Antarctica is renowned for its great shopping, gloriously clean air, and European architecture.

Day 9 • Ushuaia, Argentina

(10:00 PM - 5:00 PM)

Cruise through the majestic Beagle Channel and discover Ushuaia, where you can see Andean Condors amid the rugged beauty of Tierra del Fuego National Park. Ushuaia is the world's most southernmost city, and this provincial capital "at the end of the world" is a fascinating port stop. It has incredible views of the Martial Mountains and Lapataia Bay.

Day 10 • At Sea

Day 11 • Deception Island, Antarctica

Spend the day amongst the penguins of Deception Island, a mountainous horseshoe-shaped caldera island just off the coast of Antarctica. Over 100,000 pairs of chinstrap penguins return to the rugged island each summer to breed as part of one of the world's largest colonies! You can identify chinstrap penguins by their markings, particularly the narrow band of black beneath the chin that makes them look like they're wearing bicycle helmets!

Day 12 • Cruise Elephant Island

(9:00 AM - 3:00 PM)

Elephant Island is starkly beautiful. Its perpetually foggy skies, dark grey mountains, and snow fields make it look like black-and-white photograph come to life. The haunting drama of the landscape contrasts sharply with the island's residents. Look out for the hordes of southern elephant seals the island was

named after. The gigantic males of the species can weigh up to 8,000 pounds, and their bulbous noses resemble stunted elephant trunks. These giants lounge on the beaches of Elephant Island alongside penguins, fur seals, and numerous species of birds.

Day 13 • At Sea

Day 14 • Port Stanley, Falkland Islands

(7:00 AM - 5:00 PM)

This quaint city is home to a tiny human population—there are so few residents that the town's only "jail" can only hold 13 people—but it is rich with birds and marine animals. When you look out to the sea, keep your eyes peeled for the remnants of shipwrecks.

Days 15 - 16 • At Sea

Day 17 • Punta del Este, Uruguay

(8:00 AM - 5:30 PM)

Punta del Este is nicknamed the San Tropez of Latin America. This chic stop is full of gorgeous beaches, sophisticated resorts, excellent shopping, and a nearly endless array of world-class restaurants. That is not to say that it's in the least bit stuffy. By far the most popular dessert in Punta del Este is the humble ice cream cone. You can buy ice cream nearly anywhere, and you'll be amazed by just how creamy it is. Uruguay has more cows than people, and its dairy products are some of the best in the world.

Day 18 • Disembark in Buenos Aires

Leave the ship and spend one final magical day at your leisure in Buenos Aires. Buenos Aires is nicknamed the "Paris of South America" for

a number of reasons, beyond just its eye-catching grand European architecture. The soul of Buenos Aires is decidedly Parisian, and it is full of color, art, great food, joyous music, history, and a unique energy.

THE ULTIMATE
JOURNEY,
THE ULTIMATE
VALUE

COMBINE TOURS AND SAVE — You have the time, and you want the ultimate vacation experience, so why not take advantage of one of our unique combination tours? This special class of vacations features itineraries that are the combination of two or three exciting YMT tours. That means you

get to see so many amazing places in the convenience of one incredible and value-packed trip! We make all of the necessary arrangements to connect itineraries, so all you have to do is pack your bag and enjoy.

IS COMBINING TOURS REALLY BETTER?...YES!

- **FLY FREE** - When you combine our Best of Southern Spain and our Best of Portugal tours, Sights of Scotland and our Best of Ireland tours, or our Greece & Her Islands and Bella Italia tours, we include the connecting international flight and transfers at no additional cost to you! Combining two great European itineraries into one ultimate vacation means you get to enjoy two incredible YMT tours, but only pay for round trip airfare once.
- **EXPLORE MORE** - For those tours that don't require a connecting flight, we'll include a city pass or other added benefit during your transition day. The pass allows you to explore parts of the city not otherwise included in the separate tours, like entrances to local attractions and museums! Not only will you get to save time and money over taking both tours separately, but you get to see more on the ultimate experience.
- **SAVE TIME** - Traveling can be exhausting, but combining two tours instead of taking them separately gives you the convenient opportunity to take just one round trip journey instead of two. Just think of all the time you'll save not having to wait in an airport or pack and unpack your suitcase!
